Dick, Mellifont or both? HAIGPHOTO

Judge Julie Dick.

• Is she involved in

Electoral Fraud?

By Alex Gordon LLB

We merely ask the question. The answer can be readily determined and we will detail this near the end of this article. Our interest in this Dick has

been stimulated by our interest in the disgraced, deceitful and dishonest Terence Joseph Mellifont who was found by the Full Court of the Supreme Court of Queensland to have engaged in “blatant attempts to deceive clients, another solicitor, The Honourable the Minister for Justice and the Council of the Queensland Law Society Incorporated in furtherance of a clear design to cover up professional misconduct by device and falsehood and ultimately by untruthful evidence before the Statutory Committee of the Queensland Law Society Incorporated.” [[1981] QdR Mellifont v. Queensland Law Society Inc. 17 at 29B]

Evidence before the Statutory Committee of the Queensland Law Society Incorporated [QLSI] is given under oath. Hence, Mellifont's “untruthful evidence” was in fact PERJURY. He was not charged with perjury. Perjury is a serious criminal offence. We believe he should have been charged. No doubt it was the decision of labor lackeys to not so charge him. Since he has committed a criminal offence, although not charged and therefore not convicted, we will still reference Terence Joseph Mellifont as a CRIMINAL. He is a perjurer and perjury is a crime in Queensland.

This Journal is part of the Mellifont/Spender/Queensland Rail fraud topic. This month we have four journals addressing this topic. They are archived at <http://AustLawpublish.com/20070716AustralianCriminalLawJournalissue200707.judge.julie.dick.pdf> , <http://AustLawpublish.com/20070716dossierof.judge.julie.maree.dick.pdf> , <http://AustLawpublish.com/20070716dossierof.terence.mellifont.pdf> , <http://AustLawpublish.com/20070716QBAissue200702.pdf> /. These are in addition to seven of our previous journals. In April, we published [HaigReport \[ISSN 1834-6294 #200701 26 March, 2007](#) (we held it over for a month)]./ It is also archived online at <http://austlawpublish.com/20070314%20HaigReport%20journal%20issue200701.pdf> /. That gave the factual setting from which this umbrella topic has arisen. In May, 2007, we publishing a further six journals which are relevant to this topic/matter. Our then newest Law Journal, very topical in Australia in the lead up to the 2007 Federal Election, was the [Australian Industrial Relations Law Journal ISSN 1834-8378 \[AIRLJ\] Issue #200701](#) which is archived at [<http://austlawpublish.com/20070521 Australian Industrial Relations Law Journal issue200701.pdf>]. Although the [Australian Judiciary Law Journal ISSN 1321-4497 Issue #200701](#) [<http://austlawpublish.com/20070521 Australian Judiciary Law Journal issue200701.pdf>], is included as part of the [Australian Criminal Law Journal ISSN 1321-6562 Issue200705](#) [archived at <http://austlawpublish.com/20070521 Australian Criminal Law Journal issue200705.pdf>], we also reference its separate publication as <http://austlawpublish.com/20070521 Australian Judiciary Law Journal issue200701.pdf>, and the Dossiers of: three people involved are [Dossier of: Walter Norman Reiman](#) archived at <http://austlawpublish.com/20070521dossierof.walter.reiman.pdf> , [Dossier of: Jeffery Ernest John Spender](#) archived at <http://austlawpublish.com/20070521dossierof.jeffery.spender.pdf> and [Dossier of: Frank Thomas Heffernan](#) archived at

<http://austlawpublish.com/20070521dossierof.frank.heffernan.pdf> and for background HaigReport [ISSN 1834-6294 #200701 26 March, 2007, also archived online at <http://austlawpublish.com/20070314%20HaigReport%20journal%20issue200701.pdf/>.

The Courts of Queensland web-page refers to Judge Dick as Julie Maree Dick SC.

We ask the question: “Has a Julie Maree Dick and a Julie Maree Mellifont voted in the same elections, under both names, or has such been so recorded, when they are one and the same person?”

The Australian Electoral Roll [AER] is open to public scrutiny to attempt to guard against electoral fraud of the same person being on the electoral roll in more than one place and possibly under more than one name.

Consider the Address: 73 Hawbridge St, Carseldine Q4034. Names of electors with that electoral address include:

Bridget Eileen Mellifont,
Christie Maree Mellifont,
Jennifer Anne Mellifont,
Julie Maree Mellifont,
Michael Francis Mellifont and
Terence Joseph Mellifont.

The 'phone number at that address is +61 7 3263 2801, and the subscriber for that number and address is a Dick J. [Terence Joseph Mellifont does not appear to have any 'phone, anywhere.] DCJ Julie Dick SC is reputed to be the mother

of Michael Mellifont presently aged about 22. Her father was named Frank Dick so the origins of Michael's second name of Francis can be readily expected. We believe that Michael Mellifont does not presently live there. Those six names look like the Mellifont Family. Is Julie Maree Mellifont the wife of Terence Mellifont and Mother of Michael Mellifont? Traditionally, she would have changed her name to Julie Maree Mellifont upon marrying Terence Joseph Mellifont. Rather than change, was it a matter of “addition”, not to the same name hyphenated, but the addition of a second name?

Well, you may say, a woman when she marries is entitled to keep her maiden name in business and professional life. One could understand in this case how people may desire to not be, or at least may desire to not appear to be associated with the deceitful and dishonest Terence Joseph Mellifont.

However, there is, on the electoral roll with an address in the adjoining electorate [Federal Division and

State District] at 12 Leopard Court, WARNER, Q4500, one Julie Maree Dick. At that address, the 'phone number is +61 73882 0139, with the subscriber being Dick J M.

For both of those Julie Maree entries on the Australian and Queensland Electoral rolls, to be legitimate, they must be different people. Is DCJ Julie Maree Dick SC different to the identically named Dick at 12 Leopard Court? SURELY DCJ DICK IS ONE OF THOSE TWO JULIE MAREE ENTRIES. IS IT POSSIBLE THAT SHE COULD BE BOTH?

If DCJ Dick is on the electoral roll as Dick, then one would suspect that Julie Maree Mellifont is a daughter of Terence Mellifont and Julie Maree Dick. If that were the case, it would appear they have given two of their daughters the second name of Maree. As well, it would appear they have given two of their daughters the abbreviation of J Mellifont. Of course that is possible, and given Terence Mellifont's history, well????? It would be ridiculous but possible to give each one of all the children in a family precisely the identical name. This all augers for Julie Maree Mellifont not being an adult daughter.

Let us assume that, if both were the

same person, it was done accidentally. Then DCJ Dick would not be voting under both names in all elections while the dichotomy has persisted. The "one" that did not vote would be recorded, as happens in all elections so that the same person does not vote twice. For how many elections has this persisted? Has one been prosecuted for not voting in each election, or even in just one election? There would be records of that in both the Electoral Commission of Queensland [ECQ] and the Australian Electoral Commission [AEC].

One wonders how many electoral records have been destroyed by public servants, both state and federal. We know the public sector attracts the less able, who tend to vote labor. Thus we suspect there may be a bias towards covering up any labor inspired wrong. Terence Joseph Mellifont is [was] well known as a labor-lawyer, and DCJ JM Dick SC, was appointed to the PCMC and the district Court by Labor governments.

We know this journal is received and held in the Queensland Parliamentary Library, and our websites are accessed regularly from Queensland Parliament. We suspect that this Issue of ACLJ will be well read and discussed by both Coalition and Labor.
