## PLUMMETS

*Alan Bond was the founder of Bond University, and established its original culture.. He was gaoled for massive fraud of \$2billion. That's the Bond Style, the Bond way, and the Bond Culture. \$12million bought his early release from prison. If the actions of Bond's Associate Professor Bernard Joseph McCabe are indicative, it seems, the present culture at Bond is still to act illegally if there is a financial benefit. It's a new private university. Pandering to the disabled causes greater costs. It seems, Bond's Associate Professor Bernard Joseph McCabe discriminates against the disabled with ease. Was that deliberate or unintentional? HAIGPHOTO*

**Australian Law Publishers is maintaining an OnLine RANKING of Australian Universities for their treatment of Students, especially International Students, [archived at**

[http://AustLawPublish.com/austlawpublishAlumniJournals.html#currentranking /](http://AustLawPublish.com/austlawpublishAlumniJournals.html#currentranking/)].

We are covering in our [Alumni Journals](http://AustLawPublish.com/austlawpublishAlumniJournals.html), [archived <http://AustLawPublish.com/austlawpublishAlumniJournals.html> ] matters that may be relevant to this, in regard to the treatment of all students. We wish this to be a site to be checked by all International Students before they decide upon study at Australian Universities. Factors affecting Students at Universities may also influence students at other Australian “colleges”; for instance, the way in which [Professor Glyn Davis' University of Melbourne](#) played a major part in having [Megumi Ogawa's Student Visa revoked](#) and her imprisonment for 70 days at [Villawood](#). [see archive at [http://AustLawPublish.com/20070821MelbAJissue200702.pdf /](http://AustLawPublish.com/20070821MelbAJissue200702.pdf/)]. We think that could potentially have many international students giving Australia a wide berth as that was perpetrated by the Australian Government [public service parasites, in the Immigration Department, rather than the elected Government].

### **WANTED: Contract PRINTERS in Asia.**

Print/copy shop owners or operators anywhere in South East Asia including China, Singapore, India, Malaysia, Vietnam, Thailand, Cambodia, Hong Kong, Macau, South Korea, Philippines, Indonesia, Japan, Taiwan, New Zealand, and Sri Lanka. [Google loves a list], we invite your expression of interest in offering your printing services.

Please read the [Allstralian Business Journal](http://AustLawPublish.com/20070813AllstralianBusinessJournalissue200701.pdf/) article at [http://AustLawPublish.com/20070813AllstralianBusinessJournalissue200701.pdf /](http://AustLawPublish.com/20070813AllstralianBusinessJournalissue200701.pdf/). Our initial small print run is black monochrome A4. We expect to direct much more print business to Asian firms as the Australian Print/copy businesses are overcharging and giving poor service. See our accompanying advertisements for people wanting printing done and for the Graphic Designers of print copy to produce print ready copy in .pdf format for those customers.

We are happy to pay in your currency or any currency you choose. The payment would be electronically, immediately the work is done and posted. **Contact us on our PHP email at <http://AustLawPublish.com/eml.html>**

We have just begun this Alumni Journals' part of our website. Because we have high rankings with Google and our sites are upgraded so regularly and frequently, Google is forever accessing our sites. No doubt, within a few months University administrators will be googling with trepidation, [the is so much adverse information about Australian Universities – and we will be covering it], to see just how likely it is that International Students will be accessing our University Ranking page via Google.

Obviously, this edition is considering firstly, BOND University but also UNSW, UTS and ANU. Each of us at Australian Law Publishers is disabled in one way or another. This includes our Editor, Russell, our photographer Haig and myself. We pride ourselves on our intelligence and ability to determine optimum adaptations to cope with our individual disabilities. We have to do things differently. Sometimes this means we have special needs to accommodate our adaptations. Since all three of us are trained to be lawyers, with LLBs, we have a particular interest in, AND understanding of, the Disability Discrimination Act 1992 (Cth) [DDA]. Thus we have commenced the [Australian Disability Law Journal \[ADLJ\]](#).

## **Graphic Designers: Business opportunity**

We invite expressions of interest from Australian and New Zealand Graphic Designers who wish to provide a service to the Australian or New Zealand Community, as indicated by the above two advertisements, and the [Allstralian Business Journal article](#) at [http://AustLawPublish.com/20070813AllstralianBusinessJournalissue200701.pdf /](http://AustLawPublish.com/20070813AllstralianBusinessJournalissue200701.pdf/).

We believe that by arranging better value and quality printing, we will increase the market for printed material and hence increase work for Graphic Designers being produced by TAFE around Australia.

This brings us to **AsPro Bernard Joseph McCabe**, of the **Law Faculty at Bond University**. As we detail in our concurrent publication [Australian Disability Law Journal \[ADLJ\] Issue #200702](#), [archived at

[http://AustLawPublish.com/20070917AustralianDisabilityLawJournalissue200702.pdf /](http://AustLawPublish.com/20070917AustralianDisabilityLawJournalissue200702.pdf/)], **Bond**

**University's AsPro Bernard Joseph McCabe**, of the **Law Faculty** has **blatantly and illegally discriminated against a disabled guy**, and in the process, **cheated him and defrauded him of many thousands of dollars**. This action has, about it, a **great stench of corruption**, that settles upon **Bond University**, and maybe **UNSW, UTS and ANU**.
